

K M SHACHI

CSE – Data Science | +91-6361323828 | kmshachi26@email.com

Profile

Motivated and enthusiastic Computer Science and Engineering student specializing in Data Science. Interested in programming, data analysis, software development, and emerging technologies. Eager to learn new skills and apply technical knowledge to real-world problems.

Education

Bachelor of Engineering – CSE (Data Science) **Present**

Ballari Institute of Technology and Management, Karnataka, India

- **1st Semester CGPA:** 7.45
- **2nd Semester CGPA:** 7.83

Technical Skills

Programming Languages — C, Python

Data Science — Basics of Data Analysis, Problem Solving

Tools — Git, GitHub, Visual Studio Code, Overleaf

Other Skills — Communication, Teamwork, Logical Thinking

Projects

Library Management System

Developed a menu-driven Library Management System using C. The project uses structures, arrays, functions, and basic file handling concepts to manage books and issue records.

Programming Projects

Developed various beginner-level programs in C and Python involving functions, arrays, strings, structures, file handling, and mathematical problem solving.
